

Agility Right from the Start: Chapter 9- Transports

Print these exercises so you can easily take them with you during your next training session.

Exercise 20: Get to the starting point

1. Choose a method for your transport.
2. Draw a line on the ground. This is your start line.
3. Play with your dog.
4. Transport you dog to the start line so that his front feet are on (or close to) the line.
5. Reward, and play again!
